

Panel: Corridors for Development

This panel will focus on different transport, logistics and energy corridors being set up in Bangladesh, China, India, Iran and Pakistan; and highlight the collaboration dynamics these efforts may entail. The panel aims to build the debate on how to generate collective efforts which at a broader level could bring welfare to the entire region.

The North-South Corridor, Bangladesh, Bhutan, India, Nepal (BBIN), Central Asia South Asia (CASA - 1000), Turkmenistan-Afghanistan-Pakistan-India (TAPI), and the Central Asia Regional Economic Cooperation (CAREC) initiatives will also be discussed.

Panel Organisers:

Dr. Abid Qaiyum Suleri, Executive Director, Sustainable Development Policy Institute, Islamabad, Pakistan

Mr. Tahir Saeed, Assistant Research Coordinator, Sustainable Development Policy Institute, Islamabad, Pakistan
